

# Who You Gonna Call?

## Connecting Health Care Providers to Early Learning Resources in Clark County

Early learning is a public health issue. Do you know how to connect parents with growth and development information, parenting skills, answers for health concerns and help for social issues? Join this session and find out the one phone number to give your patients.

### What Will Happen At This Session?

Experts in child development from local pediatrician offices will join with Clark County's family resources to bring you up to date on this one stop information process.

### Who should attend?

Anyone who interacts with parents— from prenatal care to the toddler and preschool years.

- Physicians
- Pediatric & OB Office Nurses
- Clinic Managers
- Social Workers
